

# Species List

## Asian-fairy Bluebird | Kecembang Gadung

- Species code: af\_bluebird
- Latin name: *Irena puella*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Bali Myna | Curik Bali/Jalak Bali

- Species code: bali\_myna
- Latin name: *Leucopsar rothschildi*
- IUCN status: Critically Endangered
- Population trend: Decreasing
- Indonesian protection status: Protected

## Black-headed Bulbul | Cucak Kuricang

- Species code: bh\_bulbul
- Latin name: *Brachypodius atriceps*, formerly *Pycnonotus atriceps*

- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

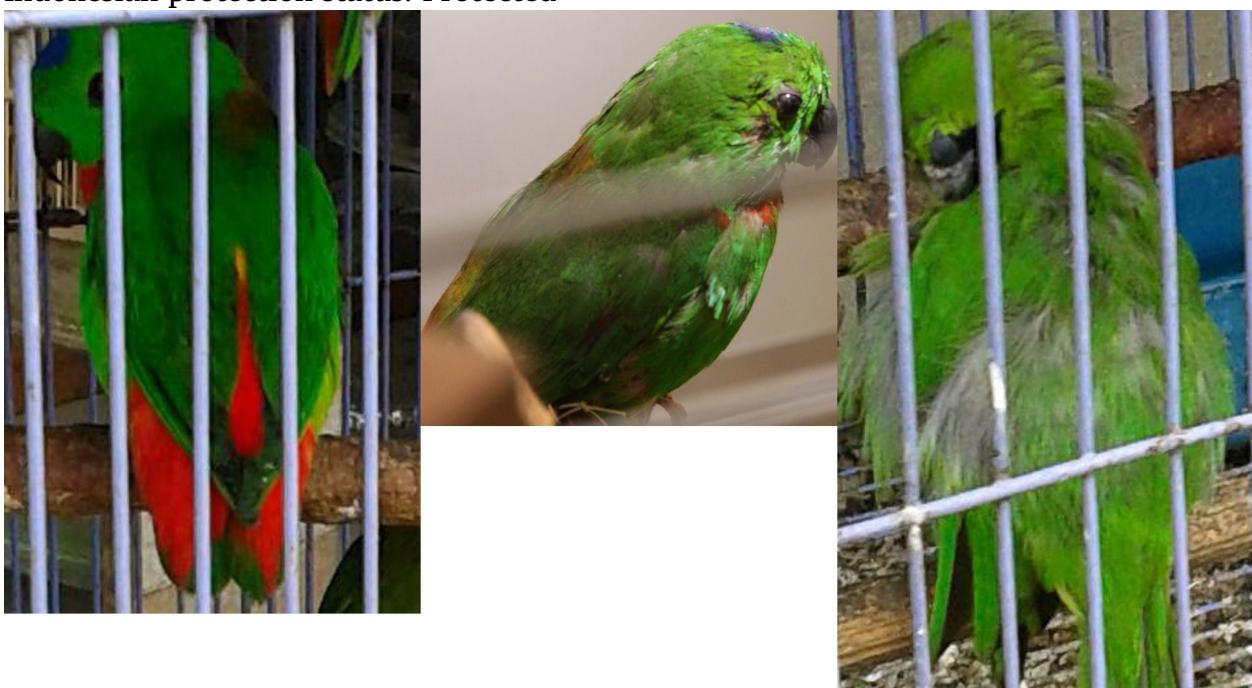

## Black-throated Laughingthrush | Poksai Hongkong/ Poksai Hitam

- Species code: bt\_laughingthrush
- Latin name: *Ianthocincla chinensis*, formerly *Garrulax chinensis*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Blue-crowned Hanging-parrot | Serindit Melayu

- Species code: bc\_hanging\_parrot
- Latin name: *Loriculus galgulus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Protected

## Blue-masked Leafbird | Cicadaun Sumatera

- Species code: bm\_leafbird
- Latin name: *Chloropsis venusta*
- IUCN status: Near Threatened
- Population trend: Decreasing
- Indonesian protection status: Protected

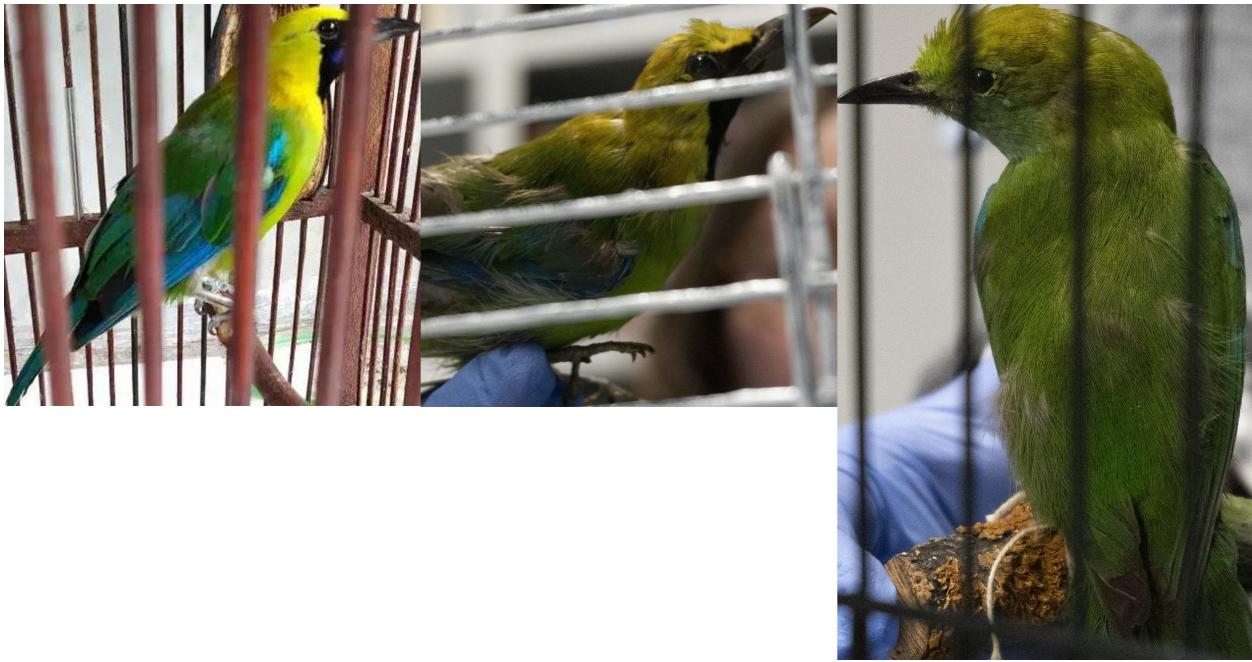

## Bluethroat

- Species code: bluethroat
- Latin name: *Luscinia svecica*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Blue-winged Leafbird | Cica-daun Sayap-biru

- Species code: bw\_leafbird
- Latin name: *Chloropsis moluccensis*, formerly *Chloropsis cochinchinensis*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

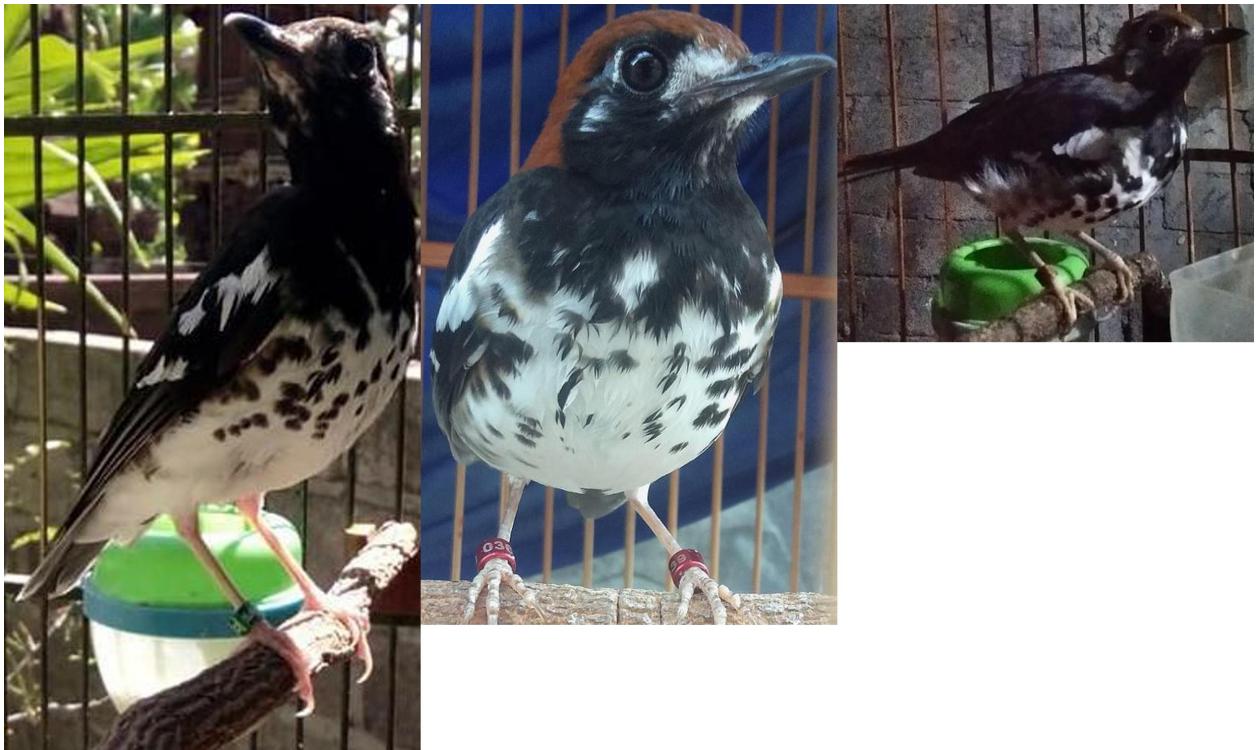

## Chestnut-capped Laughingthrush | Poksai Genting

- Species code: cc\_laughing
- Latin name: *Ianthocincla mitrata*, formerly *Garrulax mitratus*
- IUCN status: Near Threatened
- Population trend: Decreasing
- Indonesian protection status: Not Protected

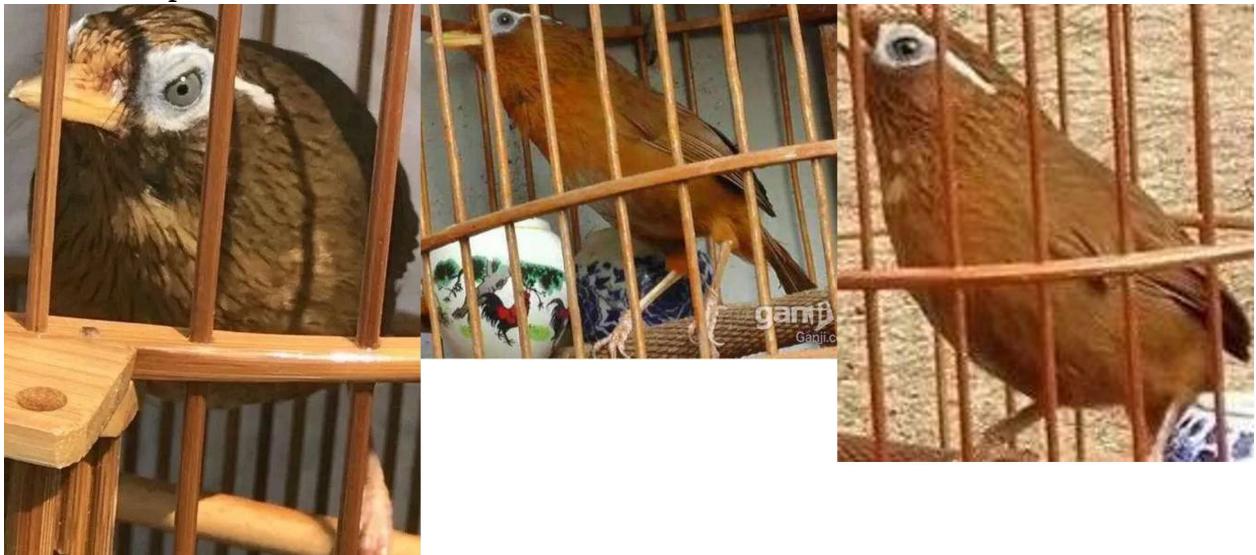

## Chestnut-capped Thrush | Anis Kembang

- Species code: cc\_laughing
- Latin name: *Geokichla interpres*, formerly *Zoothera interpres*
- IUCN status: Near Threatened
- Population trend: Decreasing
- Indonesian protection status: Not Protecteds

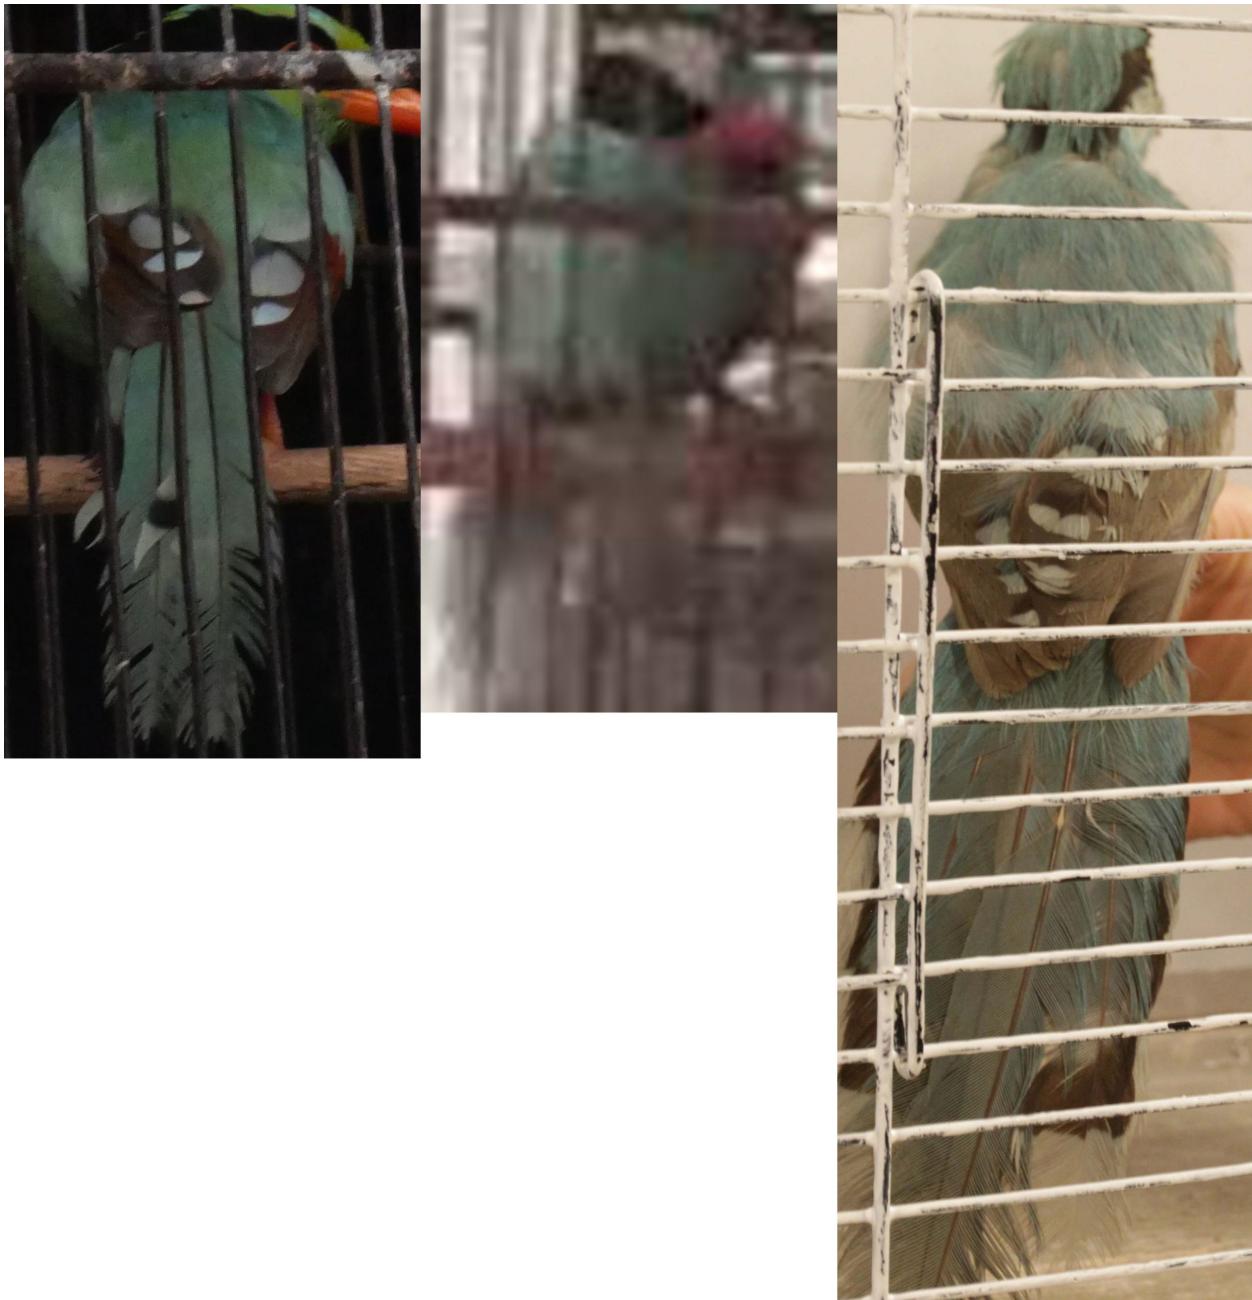

## Chinese Hwamei | Burung Hwa Mei

- Species code: hwamei
- Latin name: *Garrulax canorus*
- IUCN status: Least Concern
- Population trend: Unknown
- Indonesian protection status: Not Protected

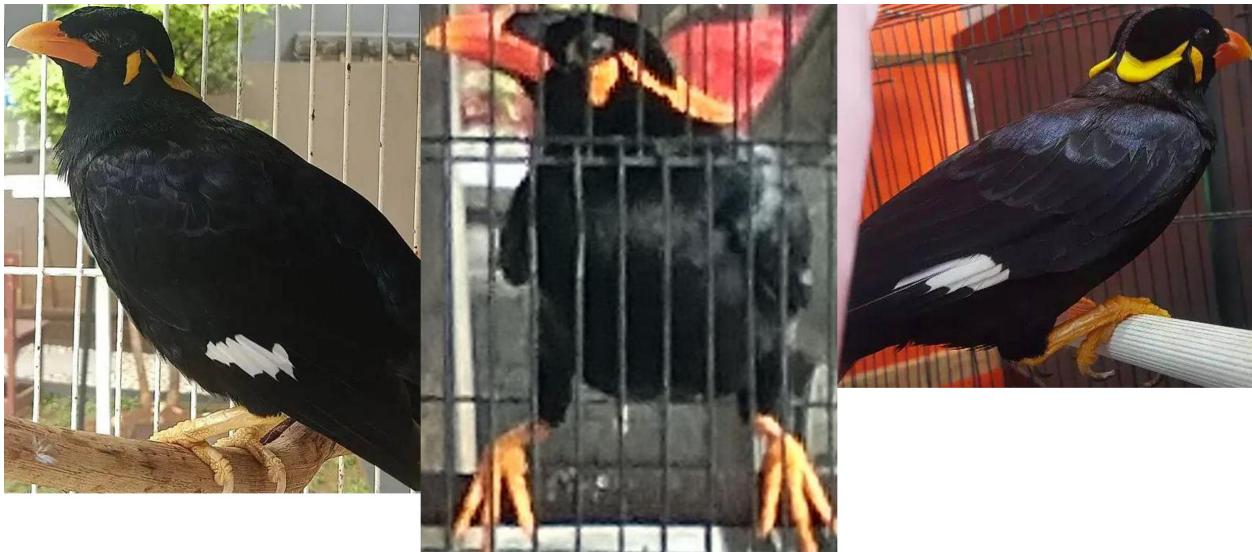

## Common Green Magpie | Ekek Layongan

- Species code: cg\_magpie
- Latin name: *Cissa chinensis*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Protected

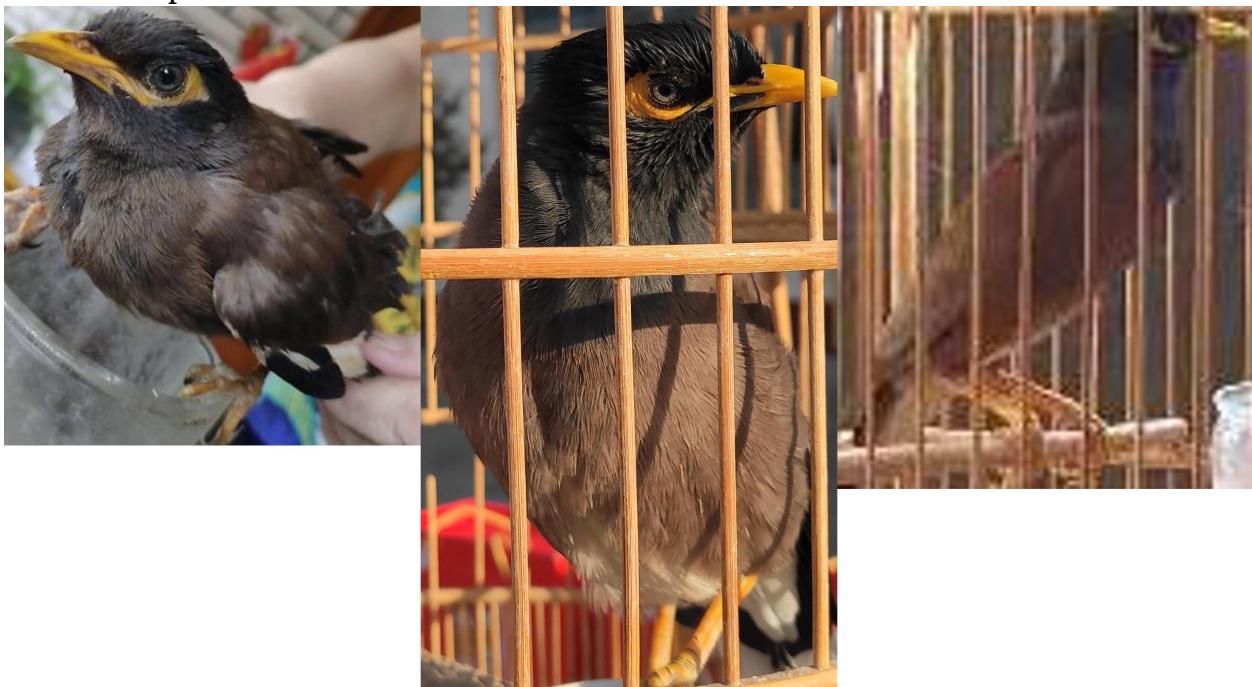

## Common Hill Myna | Tiong Emas/Burung Beo

- Species code: hill\_myna
- Latin name: *Gracula religiosa*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Protected

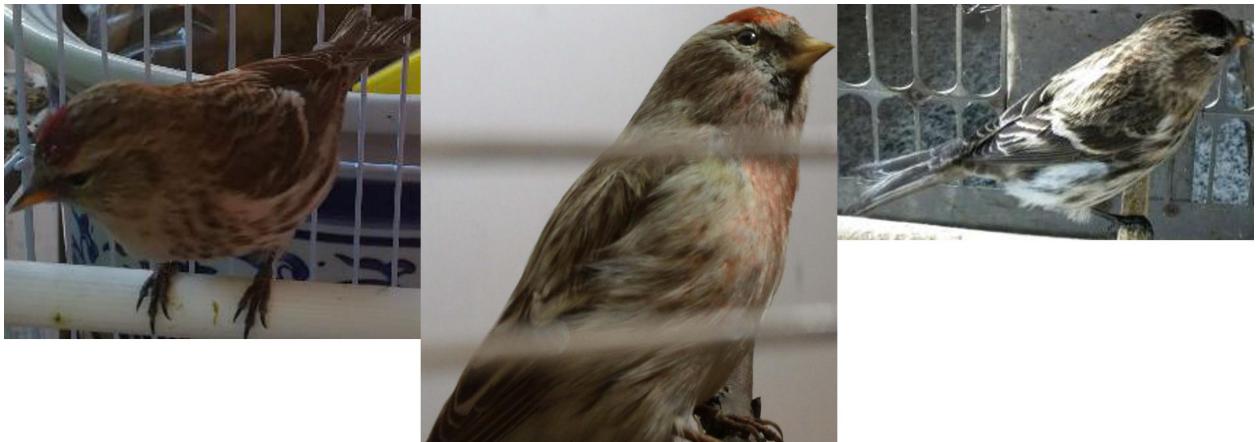

## Common Myna | Kerak Ungu

- Species code: common\_myna
- Latin name: *Acridotheres tristis*
- IUCN status: Least Concern
- Population trend: Increasing
- Indonesian protection status: Not Protected

## Common Redpoll

- Species code: Common\_redpoll
- Latin name: *Acanthis flammea*, formerly *Carduelis flammea*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Crested Lark

- Species code: crested\_lark
- Latin name: *Galerida cristata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

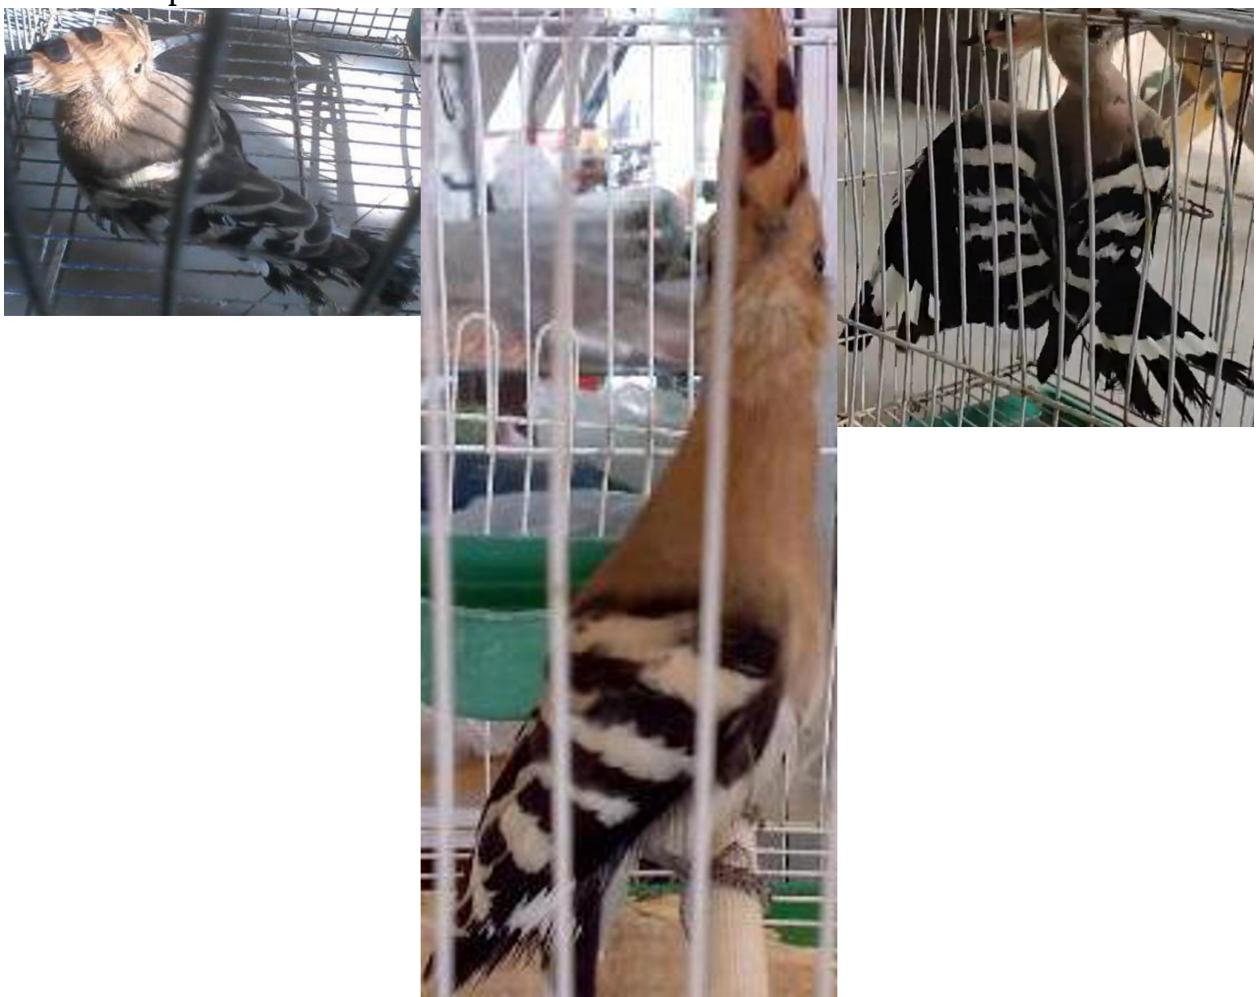

## Crested Myna | Kerak Jambul

- Species code: crested\_myna
- Latin name: *Acridotheres cristatellus*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Eurasian Hoopoe | Hudhud

- Species code: hoopoe
- Latin name: *Upupa epops*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Eurasian Jay

- Species code: Eurasian\_jay
- Latin name: *Garrulus glandarius*
- IUCN status: Least Concern
- Population trend: Stable

- Indonesian protection status: Not Protected

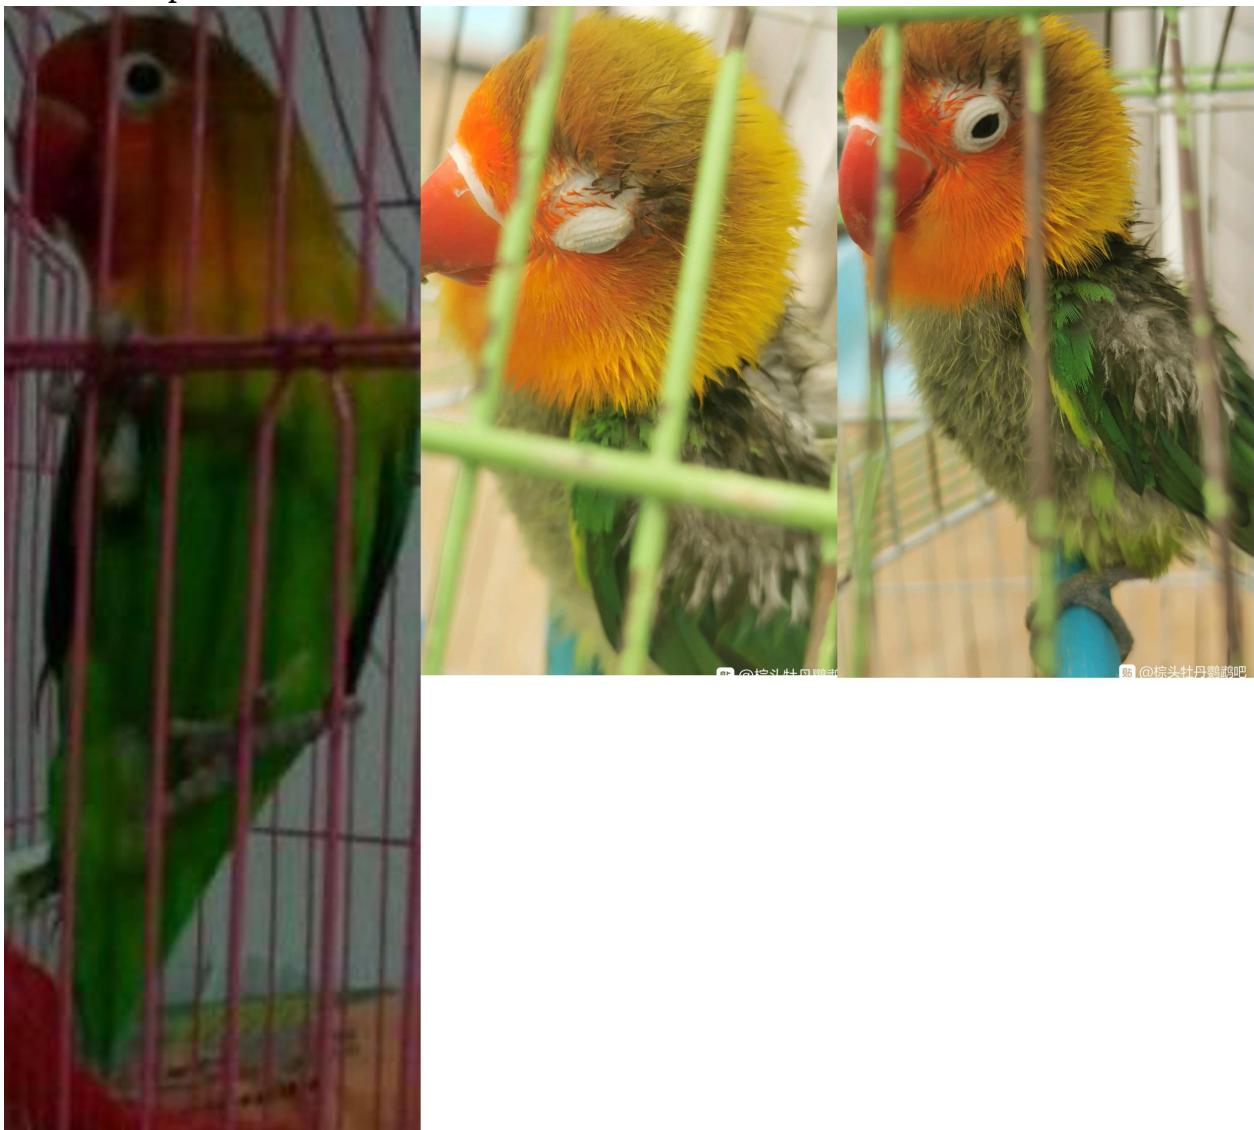

## Eurasian Siskin

- Species code: Eurasian\_siskin
- Latin name: *Spinus spinus*, formerly *Carduelis spinus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

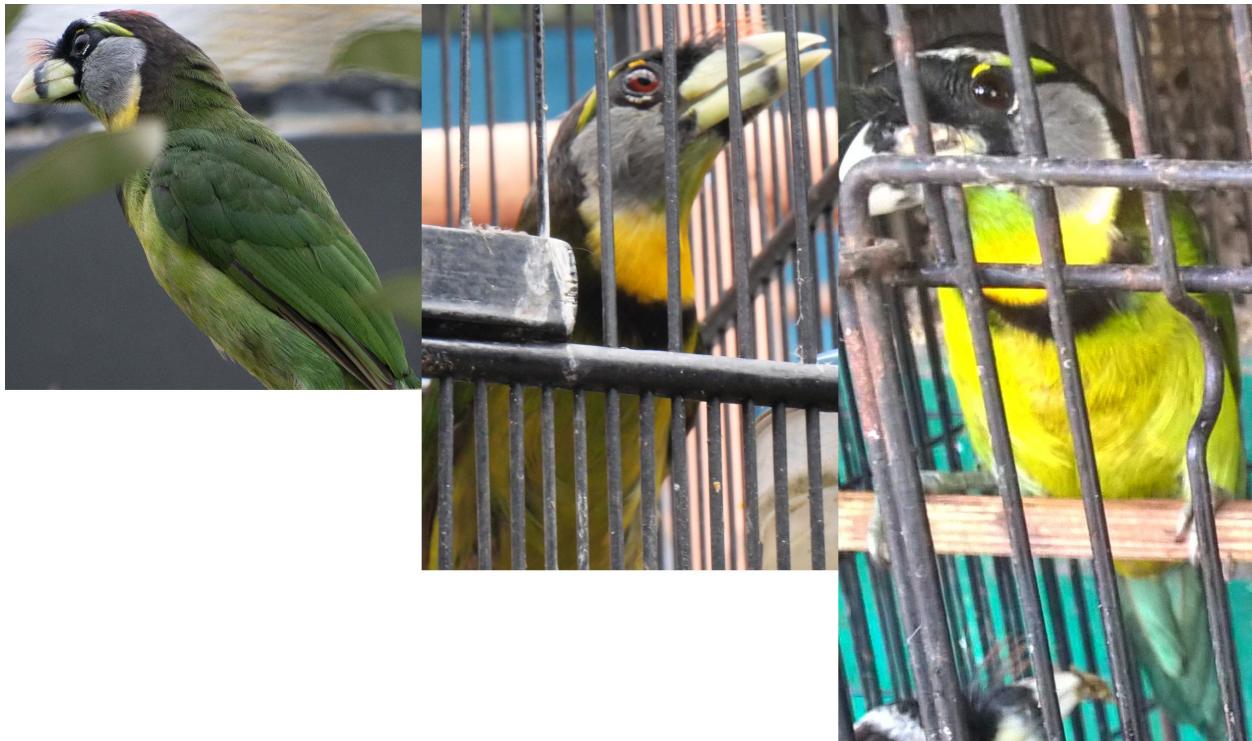

## Fischer's Lovebird | Lovebird

- Species code: fischers\_lovebird
- Latin name: *Agapornis fischeri*
- IUCN status: Near Threatened
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Fire-tufted Barbet | Takur Api

- Species code: ft\_barbet
- Latin name: *Psilopogon pyrolophus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Protected

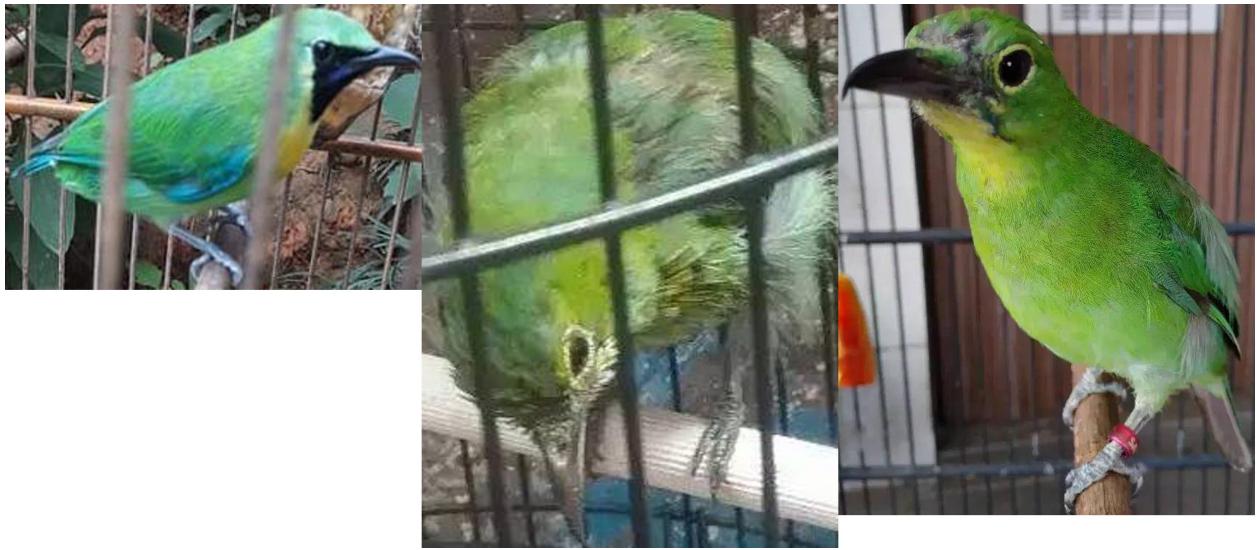

## Golden-fronted Leafbird | Cicadaun Dahi-emas

- Species code: gf\_leafbird
- Latin name: *Chloropsis aurifrons*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Greater Green Leafbird | Cicadaun Besar/Cucak ijo

- Species code: gg\_leafbird
- Latin name: *Chloropsis sonnerati*
- IUCN status: Endangered
- Population trend: Decreasing
- Indonesian protection status: Protected

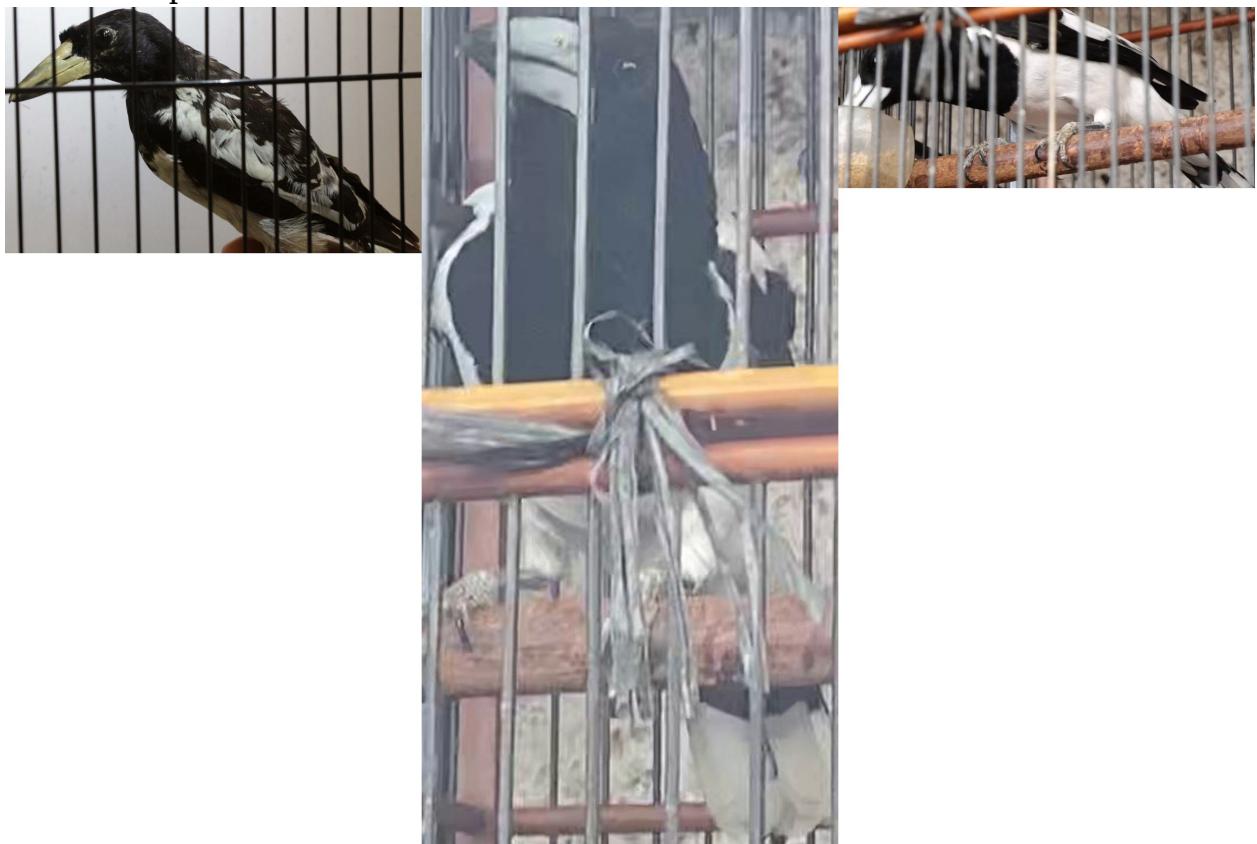

## Great Myna | Kerak Perut-pucat

- Species code: great\_myna
- Latin name: *Acridotheres grandis*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected [image]

## Hooded Butcherbird | Jagal Papua

- Species code: hooded\_butcherbird
- Latin name: *Cracticus cassicus*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

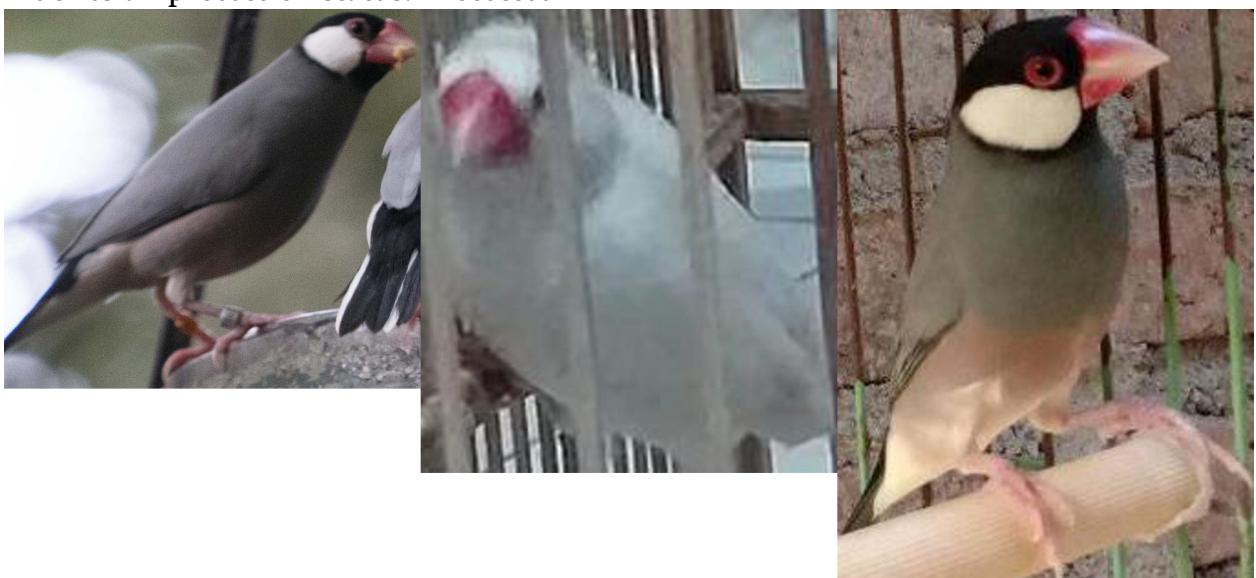

## Japanese Grosbeak

- Species code: japanese\_grosbeak
- Latin name: *Eophona personata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Java Sparrow | Gelatik Jawa

- Species code: javan\_sparrow
- Latin name: *Lonchura oryzivora*, formerly *Padda oryzivora*
- IUCN status: Endangered
- Population trend: Decreasing
- Indonesian protection status: Protected

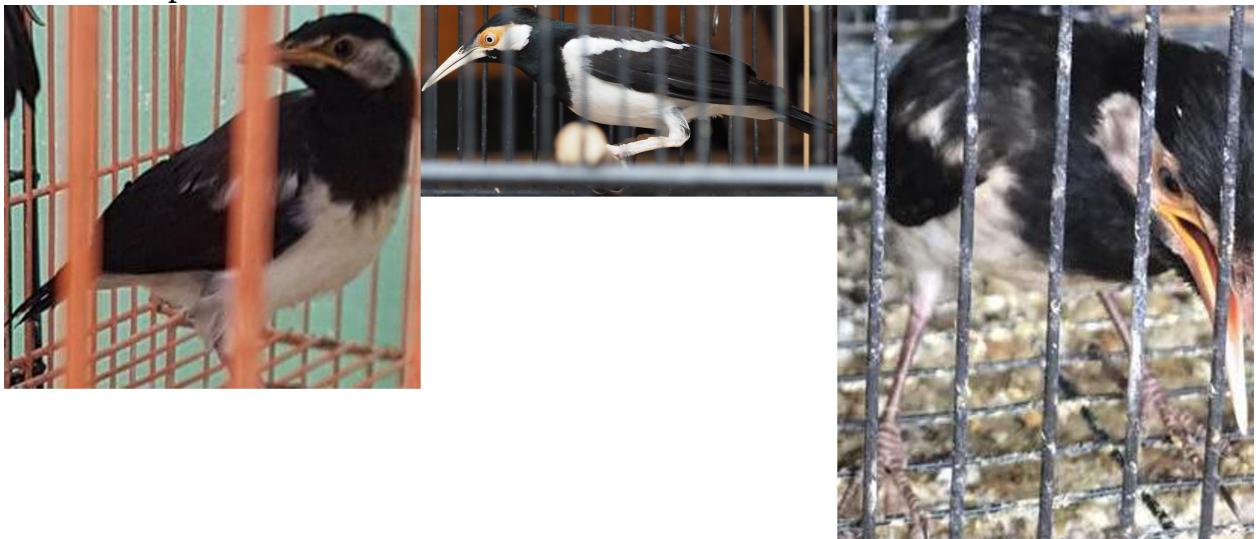

## Javan Banded Pitta | Paok Pancawarna

- Species code: jb\_pitta
- Latin name: *Hydrornis guajanus*, formerly *Pitta guajana*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Protected

## Javan Pied Starling | Jalak Suren

- Species code: jp\_starling
- Latin name: *Gracupica jalla*, formerly *Sturnus contra*, conspecific with the Asian Pied Starling
- IUCN status: Critically Endangered
- Population trend: Decreasing
- Indonesian protection status: Not Protected

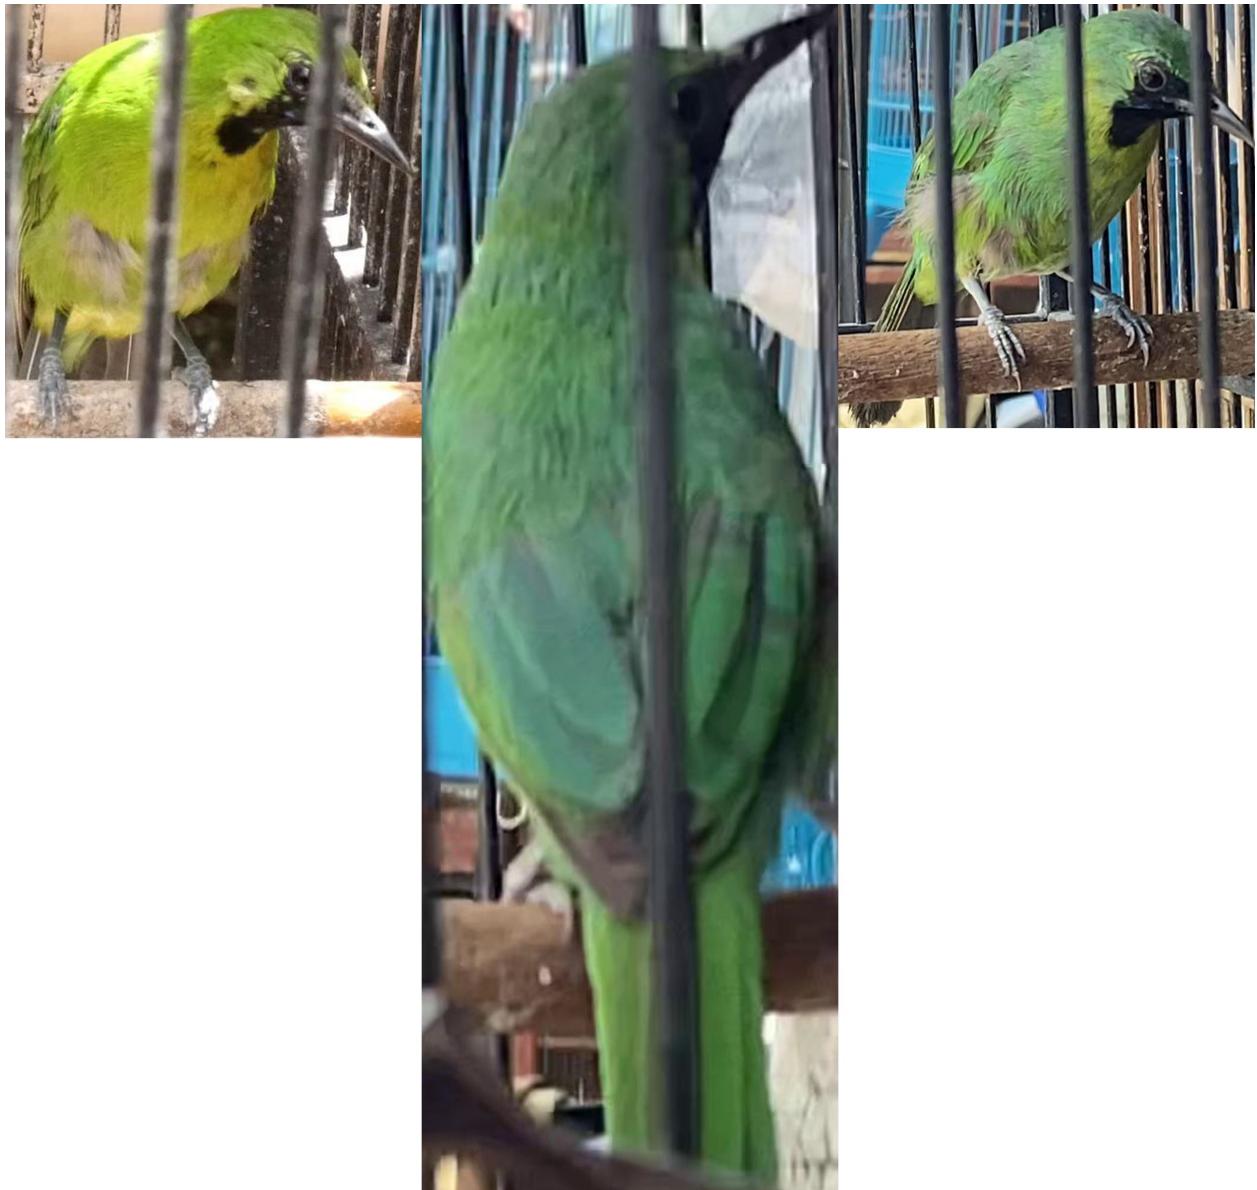

## Lemon-bellied White-eye | Kacamata Laut

- Species code: lb\_white\_eye
- Latin name: *Zosterops chloris*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Lesser Green Leafbird | Cicadaun Kecil

- Species code: lg\_leafbird
- Latin name: *Chloropsis cyanopogon*
- IUCN status: Near Threatened
- Population trend: Decreasing
- Indonesian protection status: Protected

## Orange-headed Thrush | Anis Merah/Anis Cacing

- Species code: oh\_thrush
- Latin name: *Geokichla citrina*, formerly *Zoothera citrina*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

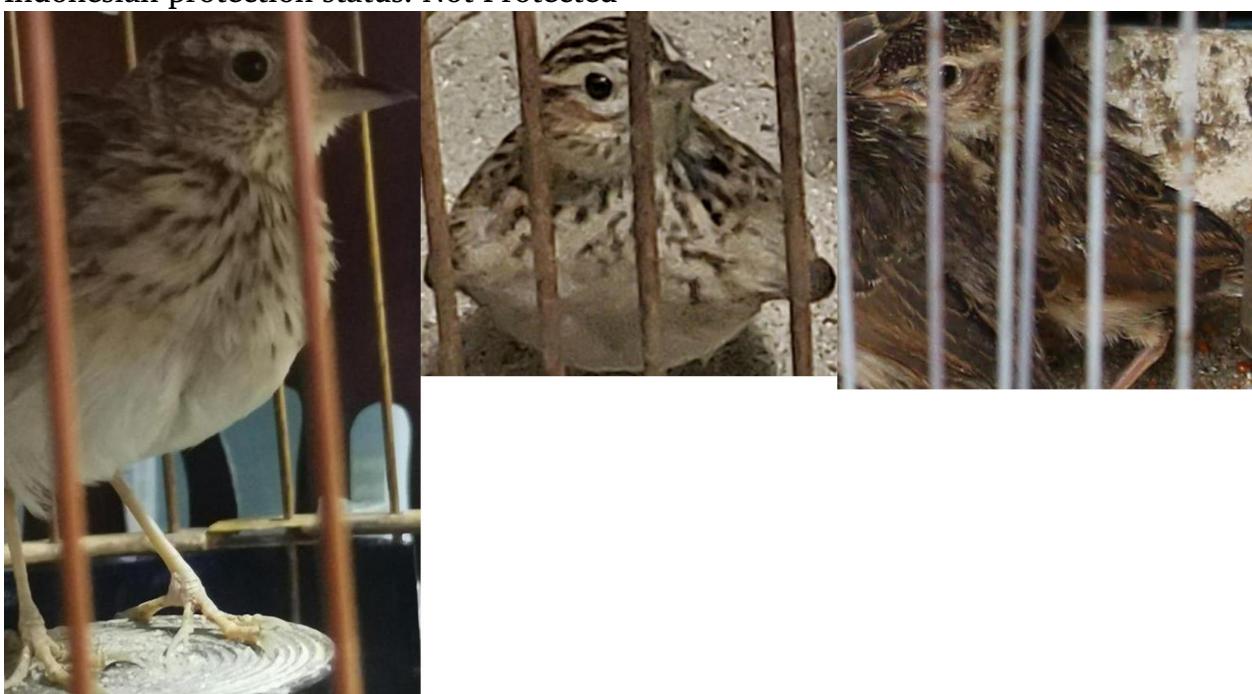

## Oriental Magpie-robin | Kucica Kampung/ Kacer

- Species code: om\_robin
- Latin name: *Copsychus saularis*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Oriental Skylark | Branjangan Langit-kecil

- Species code: oriental\_skylark
- Latin name: *Alauda gulgula*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Red-billed Leiothrix | Burung Pekin Robin

- Species code: rb\_leiothrix
- Latin name: *Leiothrix lutea*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Red-billed Starling | Jalak Sutera

- Species code: rb\_starling
- Latin name: *Leiothrix lutea*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Rufous-fronted Laughingthrush | Poksai Kuda

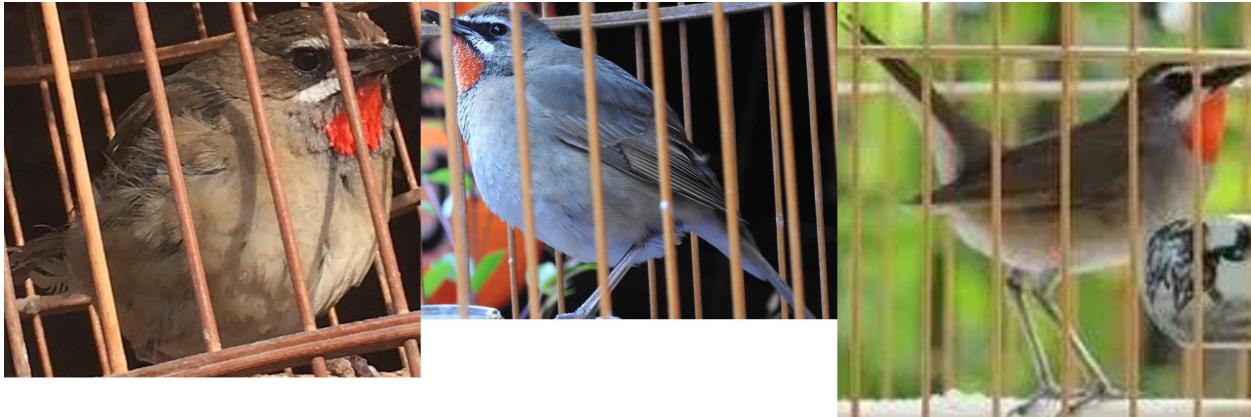

- Species code: rf\_laughingthrush
- Latin name: *Garrulax rufifrons*
- IUCN status: Critically Endangered
- Population trend: Decreasing
- Indonesian protection status: Protected

## Siberian Rubythroat

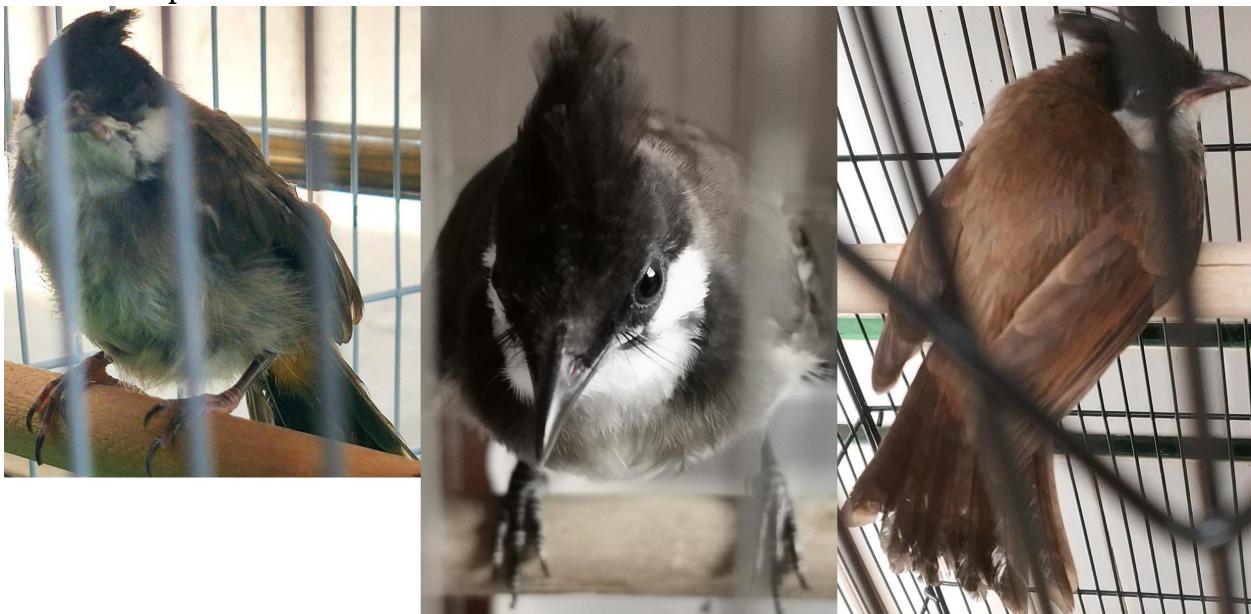

- Species code: rubythroat

- Latin name: *Calliope calliope*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Red-whiskered Bulbul | Cucak camban-merah

- Species code: rw\_bulbul
- Latin name: *Pycnonotus jocosus*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Scaly-breasted Munia | Bondol Peking

- Species code: sb\_munia
- Latin name: *Lonchura punctulata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

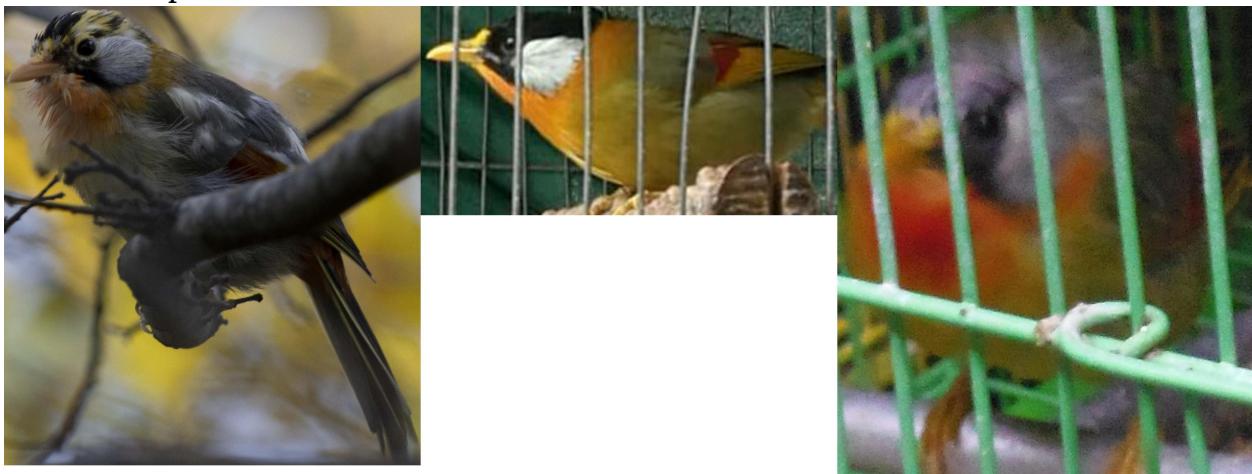

## Scarlet Minivet | Sepah Hutan

- Species code: scarlet\_minivet
- Latin name: *Pericrocotus flammeus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Silver-eared Mesia | Mesia Telinga-perak

- Species code: se\_mesia
- Latin name: *Leiothrix argentauris*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Straw-headed Bulbul | Cucak Rawa

- Species code: sh\_bulbul
- Latin name: *Pycnonotus zeylanicus*
- IUCN status: Critically Endangered
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Spotted Dove | Merpati Bintik

- Species code: spotted\_dove
- Latin name: *Spilopelia chinensis*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Sumatran Laughingthrush | Poksai Jambul

- Species code: sum\_laughingthrush
- Latin name: *Spilopelia chinensis*
- IUCN status: Endangered
- Population trend: Decreasing
- Indonesian protection status: Protected

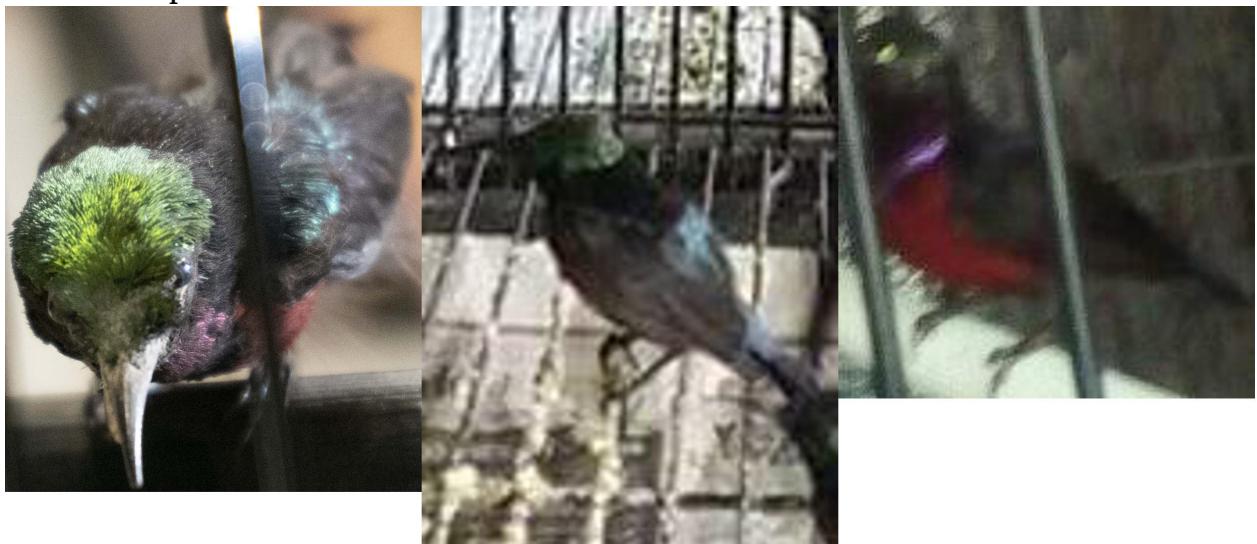

## Swinhoe's White-eye | Kacamata Melayu

- Species code: swinholoes\_white\_eye
- Latin name: *Zosterops simplex*
- IUCN status: Least Concern
- Population trend: Increasing
- Indonesian protection status: Not Protected

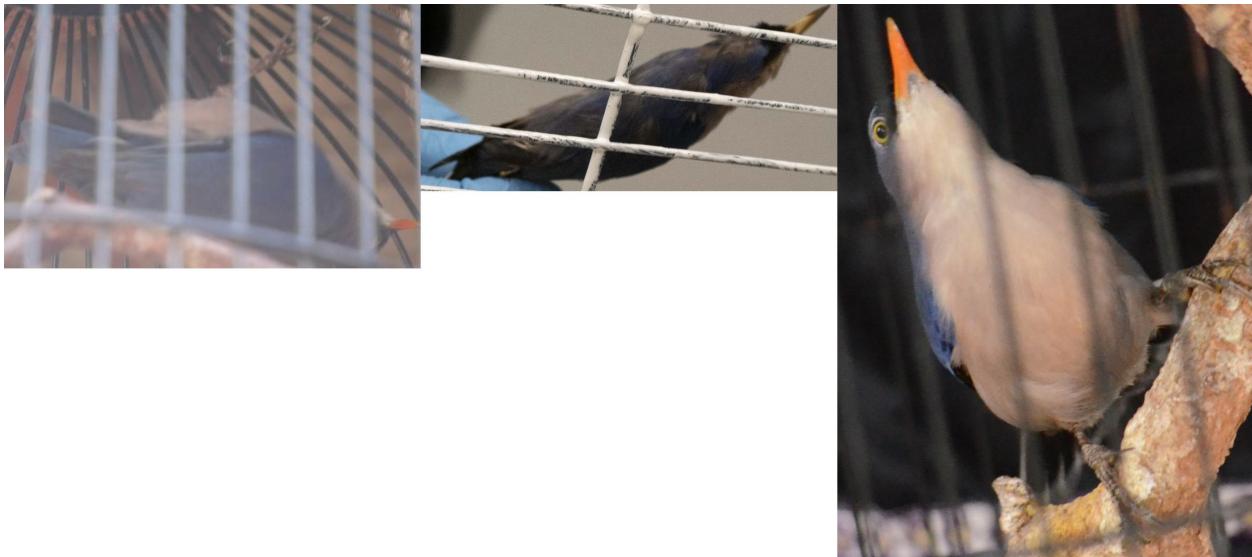

## Van Hasselt's Sunbird | Burung-madu pengantin

- Species code: vh\_sunbird
- Latin name: *Leptocoma brasiliana*, formerly *Nectarinia sperata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

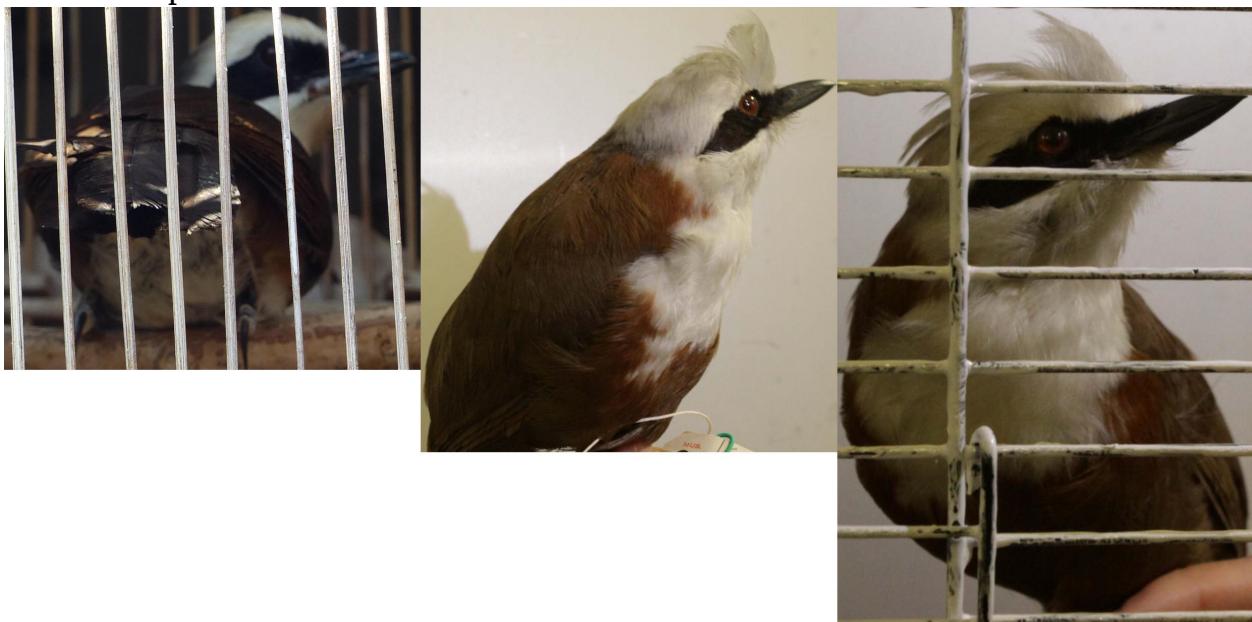

## Velvet-fronted Nuthatch | Munguk Beledu

- Species code: vf\_nuthatch
- Latin name: *Sitta frontalis*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

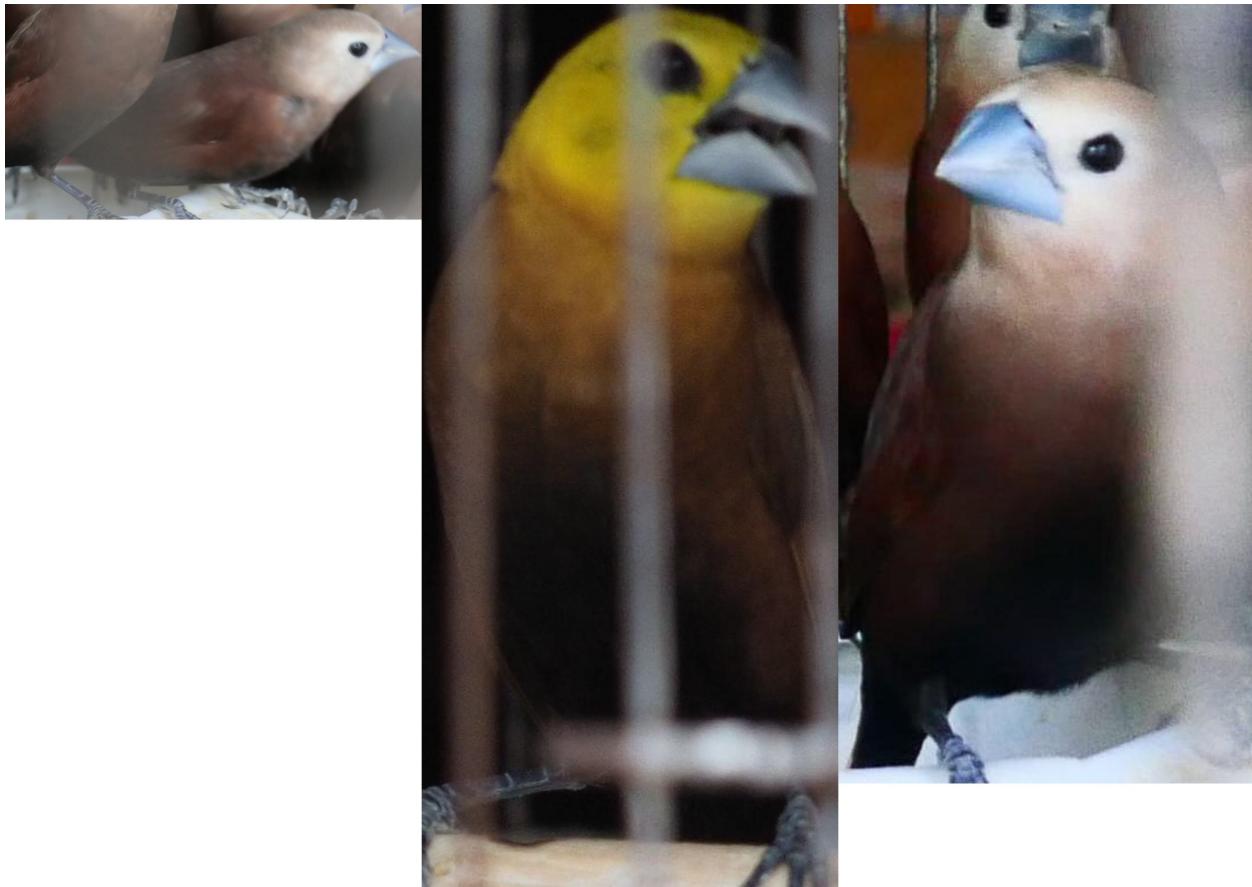

## White-crested Laughingthrush | Poksai Jambul

- Species code: wc\_laughingthrush
- Latin name: *Garrulax leucolophus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Protected

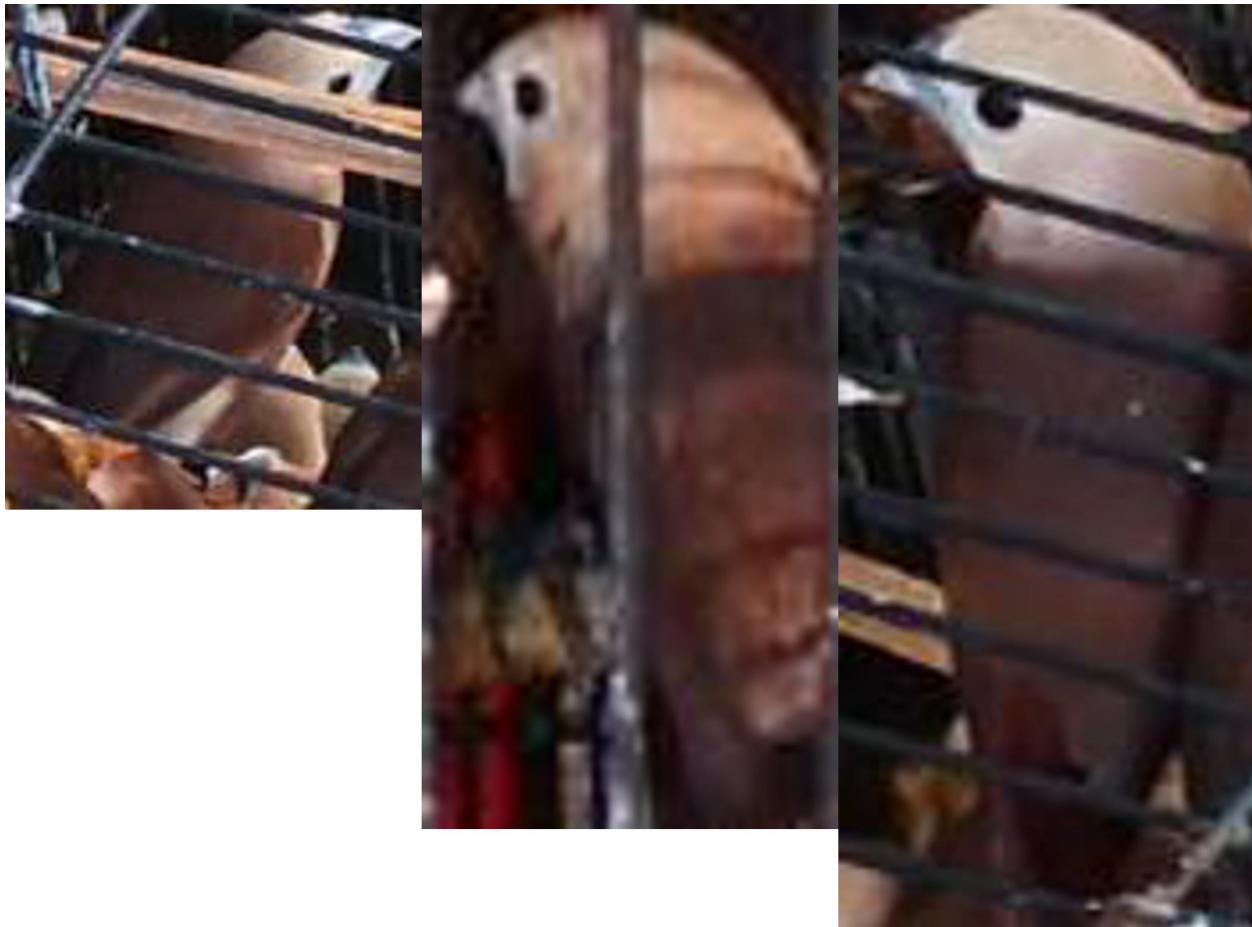

## White-headed Munia | Bondol Haji

- Species code: wh\_munia
- Latin name: *Lonchura maja*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

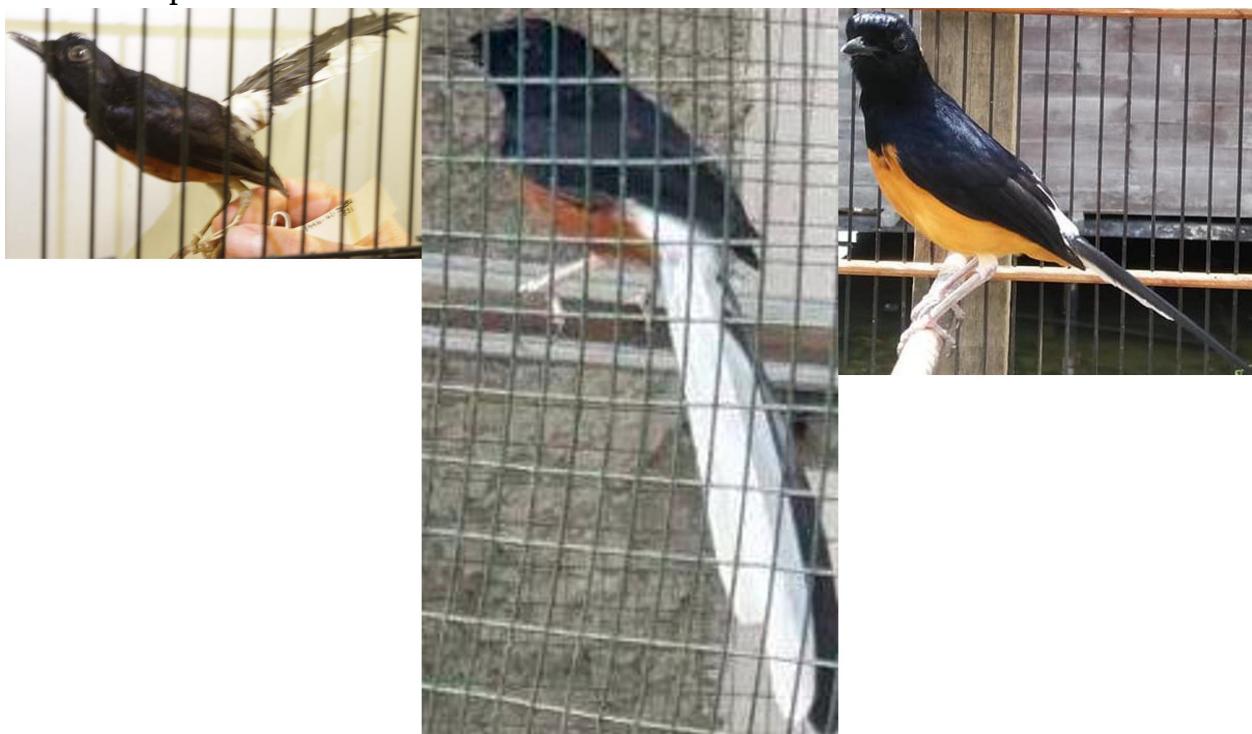

## White-rumped Munia | Bondol Punggung Putih

- Species code: wh\_munia
- Latin name: *Lonchura striata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## White-rumped Shama | Kucica Hutan/Murai Batu

- Species code: wr\_shama
- Latin name: *Copsychus malabaricus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Yellow-bellied Tit

- Species code: yb\_tit
- Latin name: *Pardaliparus venustulus*
- IUCN status: Least Concern
- Population trend: Decreasing
- Indonesian protection status: Not Protected

## Zebra Dove | Perkutut Jawa

- Species code: zebra\_dove
- Latin name: *Geopelia striata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected

## Zebra Finch | *Taeniopygia guttata*

- Species code: zebra\_finch
- Latin name: *Taeniopygia guttata*
- IUCN status: Least Concern
- Population trend: Stable
- Indonesian protection status: Not Protected
